Conference Venue

Royal Olympic Hotel is a five star property in the center of Athens. The hotel lays just in front of the famous Temple of Zeus and National Gardens. It is underneath the Acropolis and only 2 minutes walk to the new Acropolis Museum. For more information, please visit: <http://www.royalolympic.com> Athens is the historical capital of Europe, with a long history, dating from the first settlement in the Neolithic age. In the 5th Century BC (the “Golden Age of Pericles”) – the culmination of Athens’ long, fascinating history – the city’s values and civilization acquired a universal significance. Over the years, a multitude of conquerors occupied Athens, and erected unique, splendid monuments - a rare historical palimpsest. A large part of the town’s historic center has been converted into a 3-kilometre pedestrian zone (the largest in Europe), leading to the major archaeological sites (“archaeological park”), reconstructing – to a large degree – the ancient landscape.
