

ABOUT US

LocalBini is the go-to platform for cultural, fun or exclusive city Experiences across Europe with Locals. From a secret boutique shopping Experience with a gemologist, to wine-tasting with an expert sommelier, LocalBini.com features authentic city Experiences that people can book based on their interests (eg. art, architecture, foodie, nightlife, history etc.).

UNIQUE EXPERIENCES DESIGNER *(at 80-100% basis)*

You have traveled a lot and you understand what makes a travel experience unique? Then this role may be perfect for you. In collaboration with various internal stakeholders as well as the locals registered on our platform, you will **design and develop unique experiences** that can be offered by Locals on our platform. A unique sports experience? Visiting a concert with backstage and meet & greet? Or maybe a “Tesla-drivers friendly experience”? There are unlimited opportunities for the development and design of new itineraries of experiences. Your core responsibilities include, but are not limited to:

- a) Analyze the potential **market demand for various experiences types**/segments.
- b) Collaborate with our content marketer & community manager to choose the best experience types, and conceptualize + design these **new itineraries incl. all content**.
- c) Ensure that the **experiences fulfill our quality and safety standards**.
- d) Entry and management of content and data into various system (boring but fundamental)
- e) Work closely with the Community Manager to identify and recruit new locals that could host the newly designed experiences.

You will contribute to make our **community unique and famous** - with extraordinary experiences that you have designed.

ABOUT YOU

- o Traveled to many countries and cities across Europe.
- o Strong social competences and emotional intelligence.
- o Multilingual (ideally three languages fluently).
- o Strong written skills skills.

WE OFFER
